Examiner: Jennifer Cho

Title: A Reaction Mixture Including A High Concentration Of Tamsulosin and Very Low Concentration of Overalkylated Products

TRANSMITTAL CORRESPONDENCE

Office of Data Management
Application Assistance Unit
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Our corporate client requires two different representative signatures on all documents filed with the USPTO. Therefore, pursuant to the instructions stated on USPTO Form PTO/SB/81(01-09), attached are two Power of Attorney Forms and two Statement Under 37 CFR 3.73(b) forms for recordation regarding the above referenced application. Neither form cancels out the other.

If the Commissioner has any questions which may be resolved by telephone, the Commissioner is invited to contact the undersigned at (865) 546-4305.

Thank you for your assistance in this matter.

Respectfully submitted,

LUEDEKA, NEELY & GRAHAM, P.C.
